Company Overview

Pioneering Platform

Karma Swap is a pioneering Nigerian youth-led startup, building the nation's leading cash-free circular economy platform.

Core Purpose

To revolutionize consumption by eliminating waste and promoting sustainable reuse through a unique karma points system.

How It Works

Users list unused items, receive AI-suggested karma points, and then trade, gift, or participate in community drives.

Our Mission

Empower Nigerians with affordable goods, strengthen community bonds, and contribute to a cleaner, greener environment.

Vision and Mission

VISION

To create a world where nothing goes to waste, and every item holds value within a thriving global community.

MISSION

Empower everyday Nigerians, especially youth and families facing economic pressure, to access goods affordably through reuse. Strengthen community bonds via giving and trading, contributing to a cleaner environment.

CORE VALUES

- Generosity over Greed
- Sustainability & Impact First
- Youth Empowerment
- Community-Driven Growth
- Transparency & Fairness

Founder Bios

Karma Swap is powered by four dynamic, young co-founders (23-24 years old), all from humble backgrounds and entirely bootstrapped, united by a profound mission.

Ododo Joshua
CEO & CO-FOUNDER

Visionary leader spearheading strategy, partnerships, and growth. He envisioned Karma Swap as a cash-free solution for reuse amidst Nigeria's economic challenges.

Ikheloa Nathan
CGO/COO & CO-FOUNDER

Operations and growth specialist ensuring smooth execution, logistics, and user acquisition. His focus is on maintaining a safe, community-centric platform.

Iroye Peace
CPO & CO-FOUNDER

Product visionary responsible for user experience and feature development. He crafts an intuitive, rewarding app that fosters natural giving and trading.

Shokefun Daniel
CTO & CO-FOUNDER

Technical architect behind the platform, developing the Flutter-based app, karma economy, and AI valuation engine, suited for low-bandwidth environments.

Their shared commitment to mission, community, and sustainability fuels Karma Swap's success.

Key Metrics and Traction

500+ Waitlist Sign-ups

Demonstrates significant pre-launch community interest. Positive early validation from university students and local markets in Lagos & Ibadan.

100% Bootstrapped

Funded by co-founders' personal savings and side hustles, ensuring financial discipline and strong mission alignment from day one.

Beta Launch Q2 2026

With the MVP development complete, our closed beta is on track to launch, marking a critical operational milestone for our platform.

Target: 50,000 Users

Our goal is to achieve 50,000 active users by the end of 2026, rapidly scaling our cash-free circular economy platform across Nigeria.

Brand Identity and Visual Style

Color Palette

- Primary: Forest Green (#228B22) – Sustainability
- Accent: Light Green (#90EE90)
- Neutral: Off-white (#F8F9FA)

Platform Mechanics

Karma Points System: The Cash-Free Exchange

AI-Powered Valuation

List unused items to receive an instant, AI-suggested valuation in karma points.

Community Trading

Use karma points to browse and exchange for goods within local community feeds.

Generous Gifting

Foster generosity by gifting karma points to friends or supporting those in need.

Impactful Karma Drives

Participate in drives for social causes to strengthen community bonds and promote reuse.

Social Impact and Sustainability

Waste Reduction & Environmental Stewardship

Dramatically cuts landfill waste by recirculating items, promoting a cleaner environment and a "nothing wasted" vision.

Empowering Local Connections

Fosters vibrant community bonds through trading and gifting, building local trust and generosity within networks.

Inflation-Proof Access & Affordability

Provides a cash-free, inflation-proof model for affordable access to goods, removing financial barriers for users.

Future Goals and Expansion

Dominant Platform by 2029

Become Nigeria's leading circular economy platform, targeting over 10 million users.

National Scaling

Implement a phased national expansion strategy, moving beyond Lagos and Ibadan to ensure widespread accessibility.

Strategic Partnerships

Forge key collaborations with logistics providers, community organizations, and corporate sustainability programs.

Sustained Innovation

Continuously evolve the platform to empower Nigerians, strengthen community bonds, and reduce national waste.
